News From Building Blocks India

September 2025

Dear friends and well-wishers,

As we step into a new month, we pause to reflect on the vibrant moments that brought our school community together. August was filled with celebration, learning, and connection—from the spirited Independence Day festivities to the enriching Life Camp workshop for our senior students and staff. We were honored to welcome special visitors and grateful for the generous sponsors who visited our center. **Here's a brief overview of the month's highlights, each one a testament to the spirit of togetherness and growth that defines our journey.**

Independence Day

Independence Day Celebrations

Our school came alive with patriotic fervor as we celebrated Independence Day with vibrant decorations and joyful participation. The campus was adorned with tri-coloured balloons, handcrafted paper art, national flags, and beautiful Rangoli designs that reflected the spirit of unity and pride.

Children and staff dressed in the colours of the national flag—saffron, white, green, and blue—creating a lively and heartfelt atmosphere. Many students arrived in creative fancy dress, portraying freedom fighters, military personnel, and police officers, paying tribute to the heroes who shaped our nation. Children from one of our centers got to hoist the flag with the local police.

The day was filled with engaging craft activities inspired by the theme of independence. To add a sweet touch to the celebration, a special breakfast was served, much to the delight of the young ones.

Life Camp Workshop

Life Camp Workshop: A Collective Journey of Growth and Purpose

The three-day Life Camp brought together middle and high school students, teaching staff, and school leaders in a vibrant tapestry of learning, introspection, and connection. While students explored self-confidence, life choices, and success through storytelling, debate, and creative expression, the staff engaged in parallel sessions that deepened their own reflections on purpose, pedagogy, and personal growth. From crafting rules and sharing dreams to celebrating uniqueness and exchanging heartfelt appreciation, the camp fostered a culture of empathy, excellence, and joyful collaboration. The final day brimmed with gratitude as both children and educators embraced the camp's impact—with warm hugs, inspired hearts, and renewed clarity for the journey ahead.

Planview Anniversary Performance

The young stars of our school, nurtured under the Project Plus 10 initiative, recently graced the stage at the PlanView Company's Anniversary Day. These children, coming from underprivileged backgrounds, showcased an inspiring performance that left the audience in awe. Their talent and enthusiasm have now made them sought-after participants in various corporate events, embodying the potential that blooms with opportunity. Their journey from the classroom to the spotlight is a testament to the transformative power of education and community support.
